Competitive Supplier is hereby granted the exclusive right to provide All-Requirements Power Supply to Participating Customers pursuant to the terms of the Program and this ESA. For the avoidance of doubt, Competitive Supplier shall be authorized to supply All-

Requirements Power Supply only to Participating Customers, and the Local Distributor will continue to have the right and obligation to supply electricity to Eligible Customers who opt-out of the Program and remain on, or return to, Basic Service, until changes in law, regulation or policy may allow otherwise. Competitive Supplier further recognizes that this ESA does not guarantee that any individual Eligible Customer will be served by the Competitive Supplier.

In accordance with Article 3 below, all Eligible Customers shall be automatically enrolled in the Program unless they choose to opt-out. As between the Parties, the Competitive Supplier has the sole obligation of making appropriate arrangements with the Local Distributor, and any arrangements which may be necessary with the ISO-NE to ensure that Participating Customers receive the electricity supplied by the Competitive Supplier pursuant to this ESA.

The Municipality shall specifically authorize the Local Distributor to provide, and Competitive Supplier to obtain and utilize as required, all billing and energy consumption information for Participating Customers as is reasonably available from the Local Distributor. Competitive Supplier shall request consumption data for individual Participating Customers from the Local Distributor via EDI. If further action is required by the Local Distributor to authorize Competitive Supplier to receive such consumption and billing data, the Municipality agrees to use Commercially Reasonable efforts, at Competitive Supplier's cost, to assist Competitive Supplier, if so requested by it, in obtaining such information for Participating Customers, including, without limitation, assisting Competitive Supplier in obtaining permission from such Participating Customers and/or the Department, where necessary as a prerequisite to the provision of such information. Competitive Supplier shall not be responsible for any errors that Competitive Supplier makes in the provision of All-Requirements Power Supply to the extent both that: 1) such errors are caused by errors or omissions in the information provided to it by the Local Distributor; and 2) it was reasonable for the Competitive Supplier to rely upon that provided information. The Municipality shall not be responsible for any such errors by the Competitive Supplier in any event.

2.2 NO THIRD PARTY BENEFICIARIES

This ESA does not and is not intended to confer any rights or remedies upon any person other than the Parties. This ESA facilitates rights under M.G.L. c. 164 for Eligible Customers to purchase electricity from the Competitive Supplier in accordance with the Plan and this ESA. The Municipality has the right, but not the obligation, to advocate on behalf of the Eligible Customers interested in contracting for electric supply and on behalf of all Participating Customers, unless otherwise prevented by law.

2.3 COMPLIANCE WITH LAWS

By entering into this ESA, the Parties specifically represent that they have exercised due diligence to review and have fully complied with all relevant regulations and orders of the DPU, Massachusetts Attorney General, and the Massachusetts Department of Energy Resources ("DOER") and any other governmental authorities having jurisdiction over any

element of the transactions contemplated by this ESA. Competitive Supplier specifically represents that it has exercised due diligence to review and has fully complied with all relevant regulations and orders of the Federal Energy Regulatory Commission (“FERC”).

2.4 CONDITIONS PRECEDENT

The Municipality's obligations under this ESA shall be conditioned upon the Competitive Supplier, or Competitive Supplier's affiliate or contracted wholesale power marketer, fulfilling the following requirements by the Service Commencement Date:

Competitive Supplier acknowledges and agrees that: 1) all Eligible Customer data (including addresses, telephone numbers or other identifying information) made available to Competitive Supplier as an agent of Municipality for such data must be protected from disclosure to third parties by the Competitive Supplier and its Associated Entities to the fullest extent possible under the law; 2) the Competitive Supplier does not hold any permanent right, title or interest in this data; and 3) this data is to be obtained, retained and used by the Competitive Supplier and its Associated Entities solely to provide All- Requirements Power Supply to Participating Customers and to render other services expressly required or permitted under this ESA. Any other use of Eligible Customer data without the prior written consent of the Municipality is strictly prohibited. Pursuant to such authorized use, Competitive Supplier may share such Eligible Customer data with Associated Entities as reasonably necessary to accommodate Competitive Supplier's provision of All-Requirements Power Supply or other performance pursuant to this ESA (including, without limitation, collection of receivables), provided that Competitive Supplier will take reasonable measures to inform any such Associated Entities of the confidential nature of such data and the restrictions set forth in this Article 2.5 and elsewhere in this ESA. Except as expressly provided in this ESA, and as otherwise permitted by law, Competitive Supplier and its Associated Entities shall not disclose any Eligible Customer data to any third-party and Competitive Supplier and its Associated Entities shall

take all Commercially Reasonable measures to protect Eligible Customer data from access by, or beneficial use for, any third-party. To the extent that the provision of All-Requirements Power Supply or other services under this ESA requires that Competitive Supplier and its Associated Entities have access to or make use of any Eligible Customer data, Competitive Supplier and its Associated Entities shall treat such Eligible Customer data as confidential information. Competitive Supplier may use Eligible Customer data to engage in direct marketing only during the term of this ESA and subject to the terms set forth in Article 18.2. A violation of this Article 2.5 shall be grounds for termination under Article 4.2(a). Competitive Supplier agrees violation of this Article 2.5 shall constitute irreparable harm.

2.6 LIMITATIONS ON COMMUNICATIONS

Notwithstanding any other provision herein, including Articles 2.5, 5.6, 5.7 and 18.2, the Competitive Supplier may only use the list of Eligible Customers and Participating Customers to send out the Department-approved Opt-Out Notice (referenced in Article 3.2) or other educational materials or communications which are required to fulfill its obligation hereunder or are necessary for operation of the Program. Such lists may not be used by the Competitive Supplier to market any additional products or services to Eligible Customers or Participating Customers without approval from the Municipality. Broad-based programs of Competitive Supplier or any of its affiliates that do not rely on unique knowledge or access gained through this ESA will not constitute a breach of the marketing limitations.

ARTICLE 3 CUSTOMER CHOICE, NOTIFICATION OF RIGHTS, ENROLLMENT

3.1 CUSTOMER CHOICE

The Parties acknowledge and agree that all Participating Customers have the right, pursuant to M.G.L. c. 164, § 134 and the Program, to change their source of electricity supply, as set forth in Article 2.1. The Parties represent and warrant to each other that they shall not unreasonably interfere with the right of Participating Customers to opt-out of the Program, and shall comply with any rules, regulations or policies of the Department, the Local Distributor and/or other lawful Governmental Authority regarding the procedures for opting out or of switching from one source of electric supply to another. Competitive Supplier may take reasonable measures to encourage Participating Consumers to affirmatively agree to remain in the Program, consistent with any Governmental Rules.

3.2 NOTIFICATION TO ELIGIBLE CUSTOMERS FOR NEW AGGREGATION

In the event the Municipality is launching a new aggregation, all Eligible Customers, as of the Service Commencement Date, will be automatically enrolled in the Program under the terms of this Agreement unless they opt-out. The Local Distributor will provide to Competitive Supplier a list of all Eligible Customers as of the Effective Date including service and billing addresses.

Opt-Out Notice. Parties agree the Opt-Out Notice shall be approved by the Department and notify each Eligible Customer:

Competitive Supplier shall review the Opt-Out Notice and notify the Municipality of any comments or concerns regarding the form or content of the notice. The Municipality shall submit the final Opt-Out Notice to the DPU for its review and approval. Once the design and content of the notice are finalized and approved by the DPU, Competitive Supplier shall, at its cost and in accordance with the approved design and content, prepare, print and mail to each Eligible Customer the Opt-Out Notice at least thirty seven (37) days prior to the date of automatic enrollment. - viii) include a reply card and postage-paid reply envelope that Eligible Customers may use to exercise their opt-out rights; and
- ix) include a Product Summary Form for the Default Product as identified in Exhibit A.

In processing Program enrollments, the Competitive Supplier shall ensure that Eligible Customers shall have a full 30 days to opt-out plus six days to account for mailing (i.e., three days for the Opt-Out Notice to be delivered to the customer and three days for the opt out card to be delivered to the Competitive Supplier). The opt-out period shall end 36 days after mailing of the Opt-Out Notice and Program enrollments shall begin no sooner than 37 days

after mailing of the Opt-Out Notice.

The Municipality shall also specify the design and content of a postcard (“Postcard Notice”), which may be in color but shall not exceed dimension and weight requirements for First Class mail. The Municipality shall provide the Postcard Notice to Competitive Supplier for review, Competitive Supplier shall notify the Municipality of any comments or concerns regarding the form or content of the notice, and the Parties shall cooperate in good faith to address such comments or concerns. Finalization of the design and responsibility for preparing printing and mailing will be the same as for the Opt-Out Notice. Postcard Notice shall be mailed to each Eligible Customer at least 3 days before the initial Opt-Out Notices are mailed.

All Eligible Customers who do not elect to opt-out of the Program shall then be deemed Participating Customers and shall be entitled to receive electric supply at the prices listed in Exhibit A and pursuant to the terms and conditions of this Agreement.

If any Opt-Out Notices are returned as undeliverable, the Competitive Supplier shall promptly make Commercially Reasonable efforts to identify a correct mailing address and re-send the Opt-Out Notice. Once enrolled in the Program pursuant to the procedures described in this Agreement, Participating Customers may opt out at any time without paying any fee, charge or penalty.

The Parties acknowledge that any low-income discounts provided by the Local Distributor to low-income customers are not impacted by this Agreement.

3.3 NOTIFICATION TO NEW ELIGIBLE CUSTOMERS AFTER PROGRAM LAUNCH

Throughout the term of this Agreement, Competitive Supplier shall maintain a Master Opt Out File, as described in Exhibit B, that includes accurate records of: a) all customers in the Municipality that opted out prior to enrollment and after receiving an Opt-Out Notice; and b) all Participating Customers that left the Program for any reason after they were enrolled in the Program. This Master Opt Out File will also include any records of customers that have opted-out during previous ESAs, which will be provided to Competitive Supplier by the Municipality. Once each quarter, throughout the term of this Agreement, or as otherwise agreed to by the Parties in writing, the Competitive Supplier shall obtain from the Local Distributor an updated file that includes all Eligible Customers in the Municipality, hereinafter the Updated Local Distributor’s Eligible Customer File. Competitive Supplier shall create a Refresh Mailing List of New Eligible Customers, as specified in Exhibit B, which shall include all customers in the Updated Local Distributor’s Eligible Customer File and exclude all customers listed in the Master Opt Out File. This list shall identify and separate any Large Business Consumer from the list of New Eligible Customers.

In accordance with the requirements of any applicable Governmental Rules, Competitive Supplier shall notify such New Eligible Customer listed in the Refresh Mailing List (i) of the date on which such New Eligible Customer will be automatically enrolled in the Program, and (ii) that the Competitive Supplier will be providing All- Requirements Power Supply to such New Eligible Customer as of the same date, subject to the opt-out provisions of M.G.L. c. 164, § 134, the Plan, and the Program Opt-Out Notice. All Opt-Out Notices and Refresh Mailing List of New Eligible Customers must be approved in advance by the Municipality and DPU. Competitive Supplier is not required to mail a "Postcard Notice" to New Eligible Customers.

All New Eligible Customers, other than Large Business Consumers, who do not elect to opt-out of the Program shall then be deemed Participating Customers and shall be entitled to receive electric supply at the prices listed in the Opt-Out Notice and pursuant to the terms and conditions of this Agreement.

New Eligible Consumers that are Large Business Consumers are entitled to receive supply at then prevailing market rates. The Opt-Out Notice mailed to such consumer shall indicate that the consumer must contact the Competitive Supplier to request a market rate and accept prior to enrollment in the Program. The Competitive Supplier shall notify the Municipality of all market rates offered to Eligible Consumers.

Within 30 business days after the opt-out date listed on the Opt-Out Notice, Competitive Supplier shall provide the Municipality with a summary report of the mailing, including total number of undeliverable mail, opt-outs, accounts to submit, accounts accepted by the Local Distributor and accounts rejected by Local Distributor.

If any Opt-Out Notices are returned as undeliverable, the Competitive Supplier shall promptly make commercially reasonable efforts to identify a correct mailing address and re-send the Opt-Out Notice. The Competitive Supplier shall not enroll any customer where the Competitive Supplier is unable to identify a correct mailing address after a first or second Opt-Out Notice is returned as undeliverable.

Once enrolled in the Program pursuant to the procedures described in this Agreement, Participating Customers may opt out at any time without paying any fee, charge or penalty.

The Competitive Supplier shall notify the Municipality of all market prices

offered to consumers under this section.

3.5.4 Eligible Customers Served by Third-Parties – Customers being served under other competitive supply programs offered by third-parties will not be automatically enrolled as Participating Customers under this ESA when such program terminates or is otherwise completed. Residential and small business customers which opt-in shall be enrolled in the Program at the rates reflected in Exhibit A. All other customers that opt-in may be enrolled at a market-based price determined by Competitive Supplier based on current wholesale prices and the Competitive Supplier’s costs at the time the customer wants to enroll. ARTICLE 4 TERM OF CONTRACT AND TERMINATION

4.1 TERM

This ESA shall commence on the Effective Date and terminate on the last day of the Delivery Term as stated in Exhibit A, provided, however, that Competitive Supplier’s obligation to provide All-Requirements Power Supply shall commence on the Service Commencement Date, and shall terminate as of the last day of the Delivery Term as stated in Exhibit A, unless terminated earlier under Article 4.2 below (“Term”).

4.2 TERMINATION

This ESA may be terminated at any time upon written notice:

- a) by the Municipality, or the Competitive Supplier, if the other Party fails to remedy or cure any breach of any material provision or condition of this ESA (including, but not limited to, Article 2.4 and Article 9, but excluding the failure to provide or arrange for All-

Requirements Power Supply, which is addressed in Article 4.2(d)), within sixty (60) days following written notice to do so by the non-breaching party; or

b) by the Municipality, or the Competitive Supplier, if any material provision or condition of this ESA be finally adjudged invalid by any court of competent jurisdiction, or if the Department exercises any lawful jurisdiction so as to invalidate or disapprove this ESA in whole or in significant part; or

c) by the Municipality, i) if an order is entered against the Competitive Supplier approving a petition for an arrangement, liquidation, dissolution or similar relief relating to bankruptcy or insolvency and such order remains unvacated for thirty (30) days; or (ii) immediately if the Competitive Supplier shall file a voluntary petition in bankruptcy or any petition or answer seeking any arrangement, liquidation or dissolution relating to bankruptcy, insolvency or other relief for debtors or shall seek, consent to, or acquiesce in appointment of any trustee, receiver, or liquidation of any of Competitive Supplier's property; or

d) notwithstanding the foregoing, the failure of Competitive Supplier to provide or arrange for All-Requirements Power Supply to Participating Customers, in the absence of Force Majeure or the Municipality's failure to perform, shall constitute an act of default, and the Municipality may terminate this Agreement upon giving written notice and without a cure period. In the event the Competitive Supplier has performed its obligations hereunder and its failure to arrange for or provide All-Requirements Power Supply is a direct result of actions or non-actions by any transmission service provider, the Local Distributor, or the ISO-NE, the Competitive Supplier's failure shall not be deemed to be an act of immediate default and would be subject to remedy or cure as provided in Article 4.2 (a).

4.3 OBLIGATIONS UPON TERMINATION

Following termination of this ESA, the Parties shall each discharge by performance all obligations due to any other Party that arose up to the date of termination of the ESA and Competitive Supplier shall continue to have the right to collect all monies due for services rendered to that date. If Municipality has chosen a new supplier for its Program, Competitive Supplier shall assist in the transition to the new supplier by providing all Program information in its possession to the Municipality or the new supplier on a timely basis, including all updated reports pursuant to Article 11 and Exhibit B and excluding any information proprietary to the Competitive Supplier.

The Competitive Supplier specifically waives all rights it may have at law to claim that the Municipality has no standing or otherwise lacks the authority to seek monetary damages on behalf of individual Participating Customers in the event of a breach of this ESA by Competitive Supplier. The Competitive Supplier shall submit all customer drops via EDI to the Local Distributor in accordance with the rules and regulations set forth by the Massachusetts Electronic Business Transactions (EBT) Working Group.

4.4 EXTENSION

The ESA may be extended beyond the termination date established in Article 4.1 by mutual, written agreement of the Parties. Any new pricing terms shall be added to and replace Exhibit A as Exhibit A-2. Upon any such extension, this ESA shall continue to be in effect, and all provisions of the ESA shall retain the same force and effect as before the extension, unless it is terminated by either Party pursuant to the provisions of Article 4.2 or until the date stated in such extension.

ARTICLE 5 CONTINUING COVENANTS

The Competitive Supplier agrees and covenants to perform each of the following obligations during the term of this ESA.

5.1 STANDARDS OF MANAGEMENT AND OPERATIONS

In performing its obligations hereunder, during the term of this ESA, the Competitive Supplier shall exercise reasonable care and comply with all applicable Governmental Rules; and shall exercise all reasonable efforts to assure that its facilities are prudently and efficiently managed; that it employs an adequate number of competently trained and experienced personnel to carry out its responsibilities; that it delivers or arranges to deliver an uninterrupted supply of such amounts of electricity to the Point of Delivery as are required under this ESA; that it complies with all relevant industry standards and practices for the supply of electricity to Participating Customers; and that, at all times with respect to Participating Customers, it exercises good practices for a Competitive Supplier and employs all Commercially Reasonable skills, systems and methods available to it.

5.2 CUSTOMER SERVICE ACCESS

The Competitive Supplier agrees to provide, or cause to be provided, certain customer services to Participating Customers. Such services shall be reasonably accessible to all Participating Customers, shall be available during normal working hours, shall allow Participating Customers to transact business they may have with the Competitive Supplier, and shall serve as a communications liaison among the Competitive Supplier, the Municipality, and the Local Distributor. A toll-free telephone number will be established by Competitive Supplier and be available for Participating Customers to contact Competitive Supplier during normal business hours (9:00 A.M.- 5:00 P.M. Eastern Time, Monday through Friday) to resolve concerns, answer questions and transact business with respect to the service received from Competitive Supplier. The Municipality will post program-related information on the Municipality's website which will be available to Participating Customers for general information, product and service information, and other purposes.

As part of the procedures to be provided to Municipality in Article 9, upon request Competitive Supplier shall provide Municipality the applicable scripts or other materials to

be used by its customer service staff when contacted by a customer related to this ESA. Municipality may suggest edits or adjustments to these scripts or other materials, and Competitive Supplier shall make any changes that are mutually agreeable.

5.3 RESPONDING TO REQUESTS FOR INFORMATION

To the extent authorized by the Participating Customer(s) and to the extent such individual permission is required by law, the Competitive Supplier shall, during normal business hours (as set forth above), respond promptly and without charge therefore to reasonable requests of the Municipality for information or explanation regarding the matters covered by this ESA and the supply of electricity to Participating Customers. Competitive Supplier agrees to designate a service representative or representatives (the "Service Contacts") who shall be available for these purposes and shall identify the office address and telephone number of such representative(s). Whenever necessary to comply with this Article 5.3, the Service Contacts shall call upon other employees or agents of the Competitive Supplier to obtain such information or explanation as may be reasonably requested. Nothing in this Article 5.3 shall be interpreted as limiting the obligation of the Competitive Supplier to respond to complaints or inquiries from Participating Customers, or to comply with any provision of the Plan or regulation of the Department or Attorney General regarding customer service.

5.4 ARRANGING FOR FIRM ALL-REQUIREMENTS POWER SUPPLY

Competitive Supplier shall participate in or make appropriate arrangements with the ISO-NE, any relevant regional transmission organization, wholesale suppliers or any other entity to ensure an uninterrupted flow of firm All-Requirements Power Supply (free of all claims, security interests or other encumbrances) to the Local Distributor for delivery to Participating Customers, and exercise all Commercially Reasonable efforts to cooperate with the NEPOOL, the ISO-NE or any other entity to ensure a source of back-up power in the event that Competitive Supplier is unable to deliver All-Requirements Power Supply to the Point of Delivery. In the event the Competitive Supplier is unable to deliver sufficient electricity to the grid to serve Participating Customers, the Competitive Supplier shall make all such arrangements and exercise all Commercially Reasonable efforts as may be necessary to continue to serve Participating Customers under the terms of this ESA, and shall bear any costs it may incur in carrying out these efforts and obligations. Competitive Supplier shall not be responsible to the Municipality or any Participating Customers in the event that, through no fault of the Competitive Supplier or its Associated Entities, the Local Distributor disconnects, curtails or reduces service to Participating Customers (notwithstanding whether such disconnection is directed by the ISO-NE).

5.5 NON-DISCRIMINATORY PROVISION OF SERVICE

Competitive Supplier shall supply electric energy to the Point of Delivery to all Participating Customers on a non-discriminatory basis; provided, however, that those prices and other terms may vary in accordance with reasonably established rate classifications (e.g., residential, commercial, municipal, industrial) or by such other categories as appear in

Exhibit A. To the extent applicable, Competitive Supplier's prices, terms and conditions shall be in accordance with the Massachusetts General Laws, the regulations of the Department, and other applicable provision of law. To the extent required by law and/or the conditions of any Department approval of this ESA, the Competitive Supplier may not deny service to an Eligible Customer for failure to pay the bills of any other electric company (whether engaged in the distribution, transmission, or generation of electricity) or of any other aggregator, marketer or broker of electricity, but may reasonably deny or condition new service, or terminate existing service, based upon any Participating Customer's failure to pay bills from the Competitive Supplier, subject to any provisions of law or applicable DPU orders or regulations. Provision of electric energy supply shall be subject to Competitive Supplier's standard credit policies, to the extent permitted by law, as described in Exhibit A.

5.6 APPROVAL OF GENERAL COMMUNICATIONS

Competitive Supplier may communicate with Participating Customers and/or use the lists of Eligible Customers/Participating Customers to send Department-approved Opt-Out Notices, education materials and other communications essential to the operation of the Program. Such lists may not be used by Competitive Supplier to market any additional products or services to Eligible Customers or Participating Customers without Municipality consent. Competitive Supplier shall cooperate with the Municipality in the drafting and sending of messages and information to Eligible Customers concerning the Program or any matter arising under or related to this ESA. Competitive Supplier shall provide a copy of such communications to the Municipality for its review to determine whether it is consistent with the purposes and goals of the Municipality, prior to sending, whether directly or through its Associated Entities, any direct mail, advertising, solicitation, bill insert, electronic mail, or other similar written or electronic communication (collectively, "General Communications") to Participating Customers (but excluding individually drafted or tailored communications responding to the specific complaint or circumstance of an individual customer). The Municipality shall have the right to disapprove such General Communications and suggest revisions if it finds the communication inconsistent with the purposes and goals of the Municipality, factually inaccurate or likely to mislead; provided, however: (i) that the communication shall be deemed approved if the Municipality fails to respond within seven (7) business days after receipt); and (ii) that no approval shall be necessary for any communication (a) regarding any emergency situation involving any risk to the public health, safety or welfare; (b) which has been approved by the Department, the DOER, or any other Governmental Authority; or (c) in the nature of routine monthly or periodic bills, or collection notices, except that any bill insert or message included at the bottom of such bill not within the scope of (a) or (b) above shall require approval. The Municipality may reject or exclude any proposed General Communication that, in its reasonable judgment, is contrary to the interests and objectives of the Program or the Municipality, or inconsistent with Department policy or directives.

5.7 COMMUNICATION OF INSERTS AND MESSAGES

Competitive Supplier agrees that if it communicates with Participating Customers directly,

and unless prevented for regulatory or other such reasons from doing so, it shall allow the Municipality to include no less than three (3) inserts per year into such communications, provided that the Municipality pays the cost of printing and reproducing such insert and any incremental postage or handling costs the Competitive Supplier may incur as a result of including such insert. Competitive Supplier shall have the right to disapprove such General Communications (that is communications other than those pertaining to the Municipality's demand-side management, energy efficiency programs and technology, and renewable energy programs, if applicable) and suggest revisions if it finds the communication inconsistent with its business interests, factually inaccurate or likely to mislead; provided, however: (i) that the communication shall be deemed approved if the Competitive Supplier fails to respond within seven (7) business days after receipt; and (ii) that no approval shall be necessary for any communication which has been ordered by the Department, the DOER, or any other Governmental Authority to be so communicated. Competitive Supplier may only communicate with Participating Customers and/or use the lists of Eligible Customers/Participating Customers to send Department-approved Opt-Out Notices, education materials and other communications essential to the operation of the Program. Such lists may not be used by Competitive Supplier to market any additional products or services to Eligible Customers or Participating Customers.

5.8 PARTICIPATING CUSTOMER LISTS

5.8.1 Customer Lists

To the extent not prohibited by any Governmental Rule or expressly by any Participating Customer(s), the Competitive Supplier shall, upon request of the Municipality, provide a list of the Participating Customers being served by the Competitive Supplier, including such reasonable identifying and aggregate consumption information as the Municipality may also request to the extent such information is available to Competitive Supplier. Competitive Supplier shall provide such Participating Customer lists in an electronic format reasonably acceptable to both Parties and with no more frequency than once a month.

5.8.2 DPU Annual Reports

Competitive Supplier acknowledges that the Municipality is required to submit an Annual Report on the Program to the DPU. Competitive Supplier shall assist Municipality in providing data and information to allow Municipality to prepare the Annual Report to be filed with the DPU. Such data and information may include, but not be limited to: a) monthly enrollment statistics by customer class, including customer additions and withdrawals; b) the number and percentage of customers that opted-out of the program in the last calendar year; c) copies of any opt-out notifications and reply cards sent in the last calendar year; d) documentation of Competitive Supplier's compliance with the alternative information disclosure strategy approved in the relevant final order approving the Municipality's aggregation plan; and e) copies of any complaints about the Program received by Competitive Supplier during the last calendar year and a description of the resolution of such complaints.

5.9 COMPLIANCE WITH LAWS

Competitive Supplier shall promptly and fully comply with all existing and future Governmental Rules of all Governmental Authorities having jurisdiction over the activities covered by this ESA, including the Conflict of Interest Law, M.G.L. c. 268A.

5.10 CONSENT

Whenever performance of an obligation of any Party hereto requires the consent or approval of any Governmental Authority, such Party shall make Commercially Reasonable efforts to obtain such consent or approval. In the event the Competitive Supplier requests the Municipality's assistance in obtaining such consent or approval and the Municipality anticipates that it will incur costs in fulfilling the Competitive Supplier's request, it shall give the Competitive Supplier an estimate of such costs. Upon receiving the estimate, Competitive Supplier shall determine whether it will continue to request the Municipality's assistance, and if so, the Competitive Supplier shall reimburse the Municipality for all costs reasonably incurred by the Municipality in connection with such efforts.

5.11 NON-DISCRIMINATORY PROVISION OF SERVICE

Competitive Supplier shall supply electric energy to all Participating Consumers on a non-discriminatory basis; provided, however, that the prices and other terms of such supply may vary in accordance with the provisions stated herein or the rate classifications as appear in Exhibit A. Competitive Supplier's prices, terms and conditions shall be in accordance with the Massachusetts General Laws, the regulations of the Department and any other Governmental Authority having jurisdiction, and other applicable Governmental Rules. The Competitive Supplier may not deny service to a Participating Consumer for failure to pay the bills of a third party, including the LDC, any electric company (whether engaged in the distribution, transmission, supply, or generation of electricity) or of any other aggregator, marketer or broker of electricity, but may to the extent allowed by law and regulation, reasonably deny or reasonably condition new service, or terminate existing service, based upon any Participating Consumer's failure to pay bills from the Competitive Supplier. Provision of electric energy supply to Participating Consumers shall be subject to Competitive Supplier's reasonable credit policies described in Exhibit A, to the extent permitted by law and regulation.

ARTICLE 6 ROLE OF THE MUNICIPALITY

Under this ESA, the Municipality shall not actually receive, take title to, or be liable for the supply or delivery of All-Requirements Power Supply in any manner whatsoever. The Parties specifically agree that the role of the Municipality is established under M.G.L. c. 164, § 134 and includes negotiating the terms and conditions under which All-Requirements Power Supply, designing the Program, and selecting the Products that will be provided by the Competitive Supplier under this ESA. It is the sole obligation of the Competitive Supplier to

arrange for delivery of All-Requirements Power Supply to Participating Customers. The Parties agree that Municipality is not a “distribution company”, “electric company”, “generation company” or “transmission company” within the meaning of M.G.L. c. 164, § 1 as a result of this ESA; provided, however, that the Municipality may be considered to be operating a municipal load aggregation plan pursuant to M.G.L. c. 164, § 134. The Competitive Supplier hereby agrees that it will take no action, whether directly or through its Associated Entities, that would make the Municipality liable to any Participating Customer due to any act or failure to act on the part of the Competitive Supplier or its Associated Entities relating to the delivery or supply of All-Requirements Power Supply.

ARTICLE 7 PRICES AND SERVICES; BILLING

7.1 SCHEDULE OF PRICES AND TERMS

Competitive Supplier agrees to provide All-Requirements Power Supply and other related services as expressly set forth herein in accordance with the prices and terms included in Exhibit A to this ESA, which Exhibit is hereby incorporated by reference into this ESA.

7.2 OBLIGATION TO SERVE

As between the Parties, Competitive Supplier has the sole obligation to obtain sources of supply, whether from generating facilities owned or controlled by its affiliates, through bilateral transactions, or the market, as may be necessary to provide All-Requirements Power Supply for all of the Participating Customers under the Program. Competitive Supplier, except as explicitly limited by the terms included in Exhibit A, shall be obligated to accept all Participating Customers, regardless of their location or energy needs provided such Participating Customers are eligible under the applicable regulations and tariffs of the Local Distributor.

7.3 METERING

The Local Distributor will be responsible for any metering which may be required to bill Participating Customers in accordance with the Local Distributor’s Terms and Conditions for Competitive Suppliers.

7.4 TERMS AND CONDITIONS PERTAINING TO INDIVIDUAL ACCOUNT SERVICE

distribution systems, as determined by the Local Distributor.

7.4.2 Billing and Payment

Unless otherwise specified in an Exhibit to this ESA, all billing under this ESA shall be based on the meter readings of each Participating Customer's meter(s) performed by the Local Distributor. Competitive Supplier shall, or shall cause the Local Distributor or any other entity, to prepare and mail bills to Participating Customers monthly. If the Competitive Supplier arranges for the Local Distributor to perform billing services, the Competitive Supplier shall adopt the billing and payment terms offered by the Local Distributor to its Eligible Customers on Basic Service unless the Competitive Supplier and Local Distributor otherwise agree. Any over-charge or under-charge will be accounted for in the next billing period for which actual meter data is available.

7.4.3 Regional and Local Transmission

The prices quoted in Exhibit A do not include current and future charges for distribution service costs collected by the Local Distributor under its distribution service tariff or local transmission costs as may be imposed by the regional power pool, ISO-NE, or individual electric utilities that have FERC transmission tariffs. The Competitive Supplier understands that these costs will be collected by the Local Distributor. If, in the future, Competitive Supplier becomes responsible for such distribution or transmission costs, Competitive Supplier shall be entitled to collect such costs from Participating Customers to the extent permitted by any Governmental Rules. These costs are "pass through" costs as determined by the appropriate regulatory agencies.

7.4.4 Taxes

All sales, gross receipts, excise or similar taxes imposed with respect to the sale or consumption of All-Requirements Power Supply shall be included on the Participating Customer's bill and shall be remitted to the appropriate taxing authority by Competitive Supplier. Participating Customers shall be responsible for all taxes that are required by law to be imposed upon a purchaser of electricity and are associated with electricity consumption under the ESA. Participating Customers shall be responsible for identifying and requesting any exemption from the collection of any tax by providing appropriate documentation to Competitive Supplier. For avoidance of doubt, Competitive Supplier shall be responsible for all taxes imposed on Competitive Supplier's income.

ARTICLE 8 RENEWABLE ENERGY

8.1 RENEWABLE ENERGY STANDARDS

Competitive Supplier agrees that it, and its Associated Entities directly or indirectly involved in providing services or meeting the Competitive Supplier's obligations under the ESA, will

8.2.2 Competitive Supplier may enter into a REC Purchase Agreement (“RPA”) with a REC Supplier for Voluntary RECs as specified in Exhibit A. Such RPA shall be attached as Exhibit C to this ESA. In the event REC Supplier defaults under, or terminates, the RPA prior to the termination of this ESA, Competitive Supplier shall procure and provide Replacement RECs for the continuing term of the ESA sufficient to support the Municipality’s Default and Optional Products as described in Exhibit A. In the event the price of the Replacement RECs is greater than the price paid under the RPA, the Municipality shall have the option to: (1) reduce the quantity of the Replacement RECs to a level such that the aggregate cost of the Replacement RECs is the same as the aggregate cost of the original remaining RECS to be provided under the RPA; or (2) increase the Retail Price in an amount sufficient to offset the additional cost associated with the Replacement RECs. If the cost of the Replacement RECs is less than the price of the RECs under the RPA, the Municipality shall have the option: (A) to increase the quantity of the Replacement RECs to a level such that the aggregate cost of the Replacement RECs Is the same as the aggregate cost of the original remaining RECS to be provided under the RPA; or (B) decrease the Retail Price in an amount sufficient to offset the reduction in the cost associated with the Replacement RECs.

The Competitive Supplier shall, at least 30 days prior to the Service Commencement Date, provide a written description of its billing and termination procedures, customer services, confidentiality and related practices and procedures for approval by the Municipality (which approval shall not be unreasonably withheld). Such written description shall also include the Competitive Supplier’s plans for maintaining “service quality standards”, as that phrase is used in § 1F; for complying with the “opt-out” provisions of M.G.L. c. 164, § 134(a); and for handling customer complaints, including any arbitration procedures. If the Participating Customer(s) so permit(s) or to the extent such permission is required by law or the terms of any Department order with respect to this ESA, the Competitive Supplier agrees to provide notice to the Municipality of any customer complaints received from a Participating Customer, and the Municipality shall have the right, but not the obligation, to participate in resolution of the dispute, to the extent that

such complaints relate directly to the Program, and to the extent permitted by Department regulations and other applicable law. The use of practices and procedures which materially fail to comply with Department regulations and policies, shall be deemed grounds for termination of this ESA, at the discretion of the Municipality after providing written notice of such failure to the Competitive Supplier and allowing the Competitive Supplier sixty (60) days to cure such failure.

In addition, and in accordance with M.G.L. c. 164, § 1F(2) and 220 CMR 11.05(2)(b)19, in the event of a dispute regarding an invoice or Competitive Supplier's service, whether directly or through its Associated Entities, under this ESA, a Participating Customer may contact the Department, which may refer the dispute to the Massachusetts Office for Dispute Resolution for mediation of such dispute, if the amount in dispute is greater than one hundred dollars (\$100.00) and the subject of the dispute is within the Department's statutory and regulatory authority.

This information shall be provided in electronic format.

11.1.2 Customer-Related Data

On and after the Service Commencement Date, Competitive Supplier will maintain customer-related data in electronic form including utility account number, billing name, billing address, service address historical usage, demand, and ICAP (Installed Capacity) data. Competitive Supplier will make such data available to the Municipality or its agent upon request within forty-five (45) days of the request. A violation of this Article 11.1.2 shall be grounds for termination under Article 4.2(a).

11.1.3 Standard of Care

providing any information or data required under the ESA. To the extent that Competitive Supplier determines that any information or data provided hereunder is in error, it shall notify the Municipality and provide the correct information or data to the Municipality or its agent within a Commercially Reasonable time.

11.2 DISCLOSURE LABEL

ARTICLE 12 RESOLUTION OF DISPUTES; CHOICE OF LAW AND FORUM

12.1 CHOICE OF LAW AND FORUM

This ESA and the rights of the Parties shall be interpreted and determined in accordance with

the laws of the Commonwealth of Massachusetts without respect to conflicts-of-laws principles. Any litigation arising hereunder shall be brought solely in the appropriate federal court in Massachusetts or appropriate state court sitting in the Massachusetts county in which the Municipality is located, to whose jurisdiction the parties hereby assent, waiving all objections to venue or forum.

12.2 DISPUTE RESOLUTION

The dispute shall be considered to have arisen when one Party sends the other Party(ies) involved in the dispute a written notice of dispute. The period for informal negotiations shall be fourteen (14) days from receipt of the written notice of dispute unless such time is modified by written agreement of the Parties involved in the dispute. In the event that the parties involved in the dispute cannot resolve a dispute by informal negotiations, the Parties may seek judicial enforcement subject to the provisions of this ESA. Notwithstanding the foregoing, injunctive relief may be immediately sought without resorting to the procedure set forth herein to prevent irreparable harm that would be caused by a breach of this ESA.

ARTICLE 13 INDEMNIFICATION

13.1 INDEMNIFICATION BY THE COMPETITIVE SUPPLIER

In addition to any other remedies available to the Municipality at law or equity, and notwithstanding any other provision contained herein, the Competitive Supplier shall indemnify, defend and hold harmless the Municipality (“Indemnified Party”) and the Indemnified Party’s officials, officers, employees, agents, representatives and independent contractors, from and against any and all costs, claims, liabilities, damages, expenses (including reasonable attorney’s fees), causes of action, suits or judgments, incurred by, on behalf of or involving any one of the foregoing parties to the extent arising directly from or in connection with (i) any material breach by Competitive Supplier of its obligations, covenants, representations or warranties contained in this ESA and not resulting from the actions of the ISO, Local Distributor, the Municipality or its employees or agents, or (ii) any action or omission taken or made by the Competitive Supplier or its Associated Entities in connection with Competitive Supplier’s performance of this ESA.

13.2 NOTICE OF INDEMNIFICATION CLAIMS

If the Municipality seeks indemnification pursuant to this Article 13, it shall notify Competitive Supplier of the existence of a claim, or potential claim as soon as practicable

In the event the Competitive Supplier requests the Municipality's assistance in protecting the confidentiality of information and the Municipality anticipates that it will incur costs in fulfilling the Competitive Supplier's request, it shall give the Competitive Supplier an estimate of such costs. Upon receiving the estimate, Competitive Supplier shall determine if it continues to request the Municipality's assistance, and if so, the Competitive Supplier shall reimburse the Municipality for all costs, reasonably incurred by the Municipality in connection with such efforts.
